Sermon

Proverbs on 'wealth'

Intro: A rich country

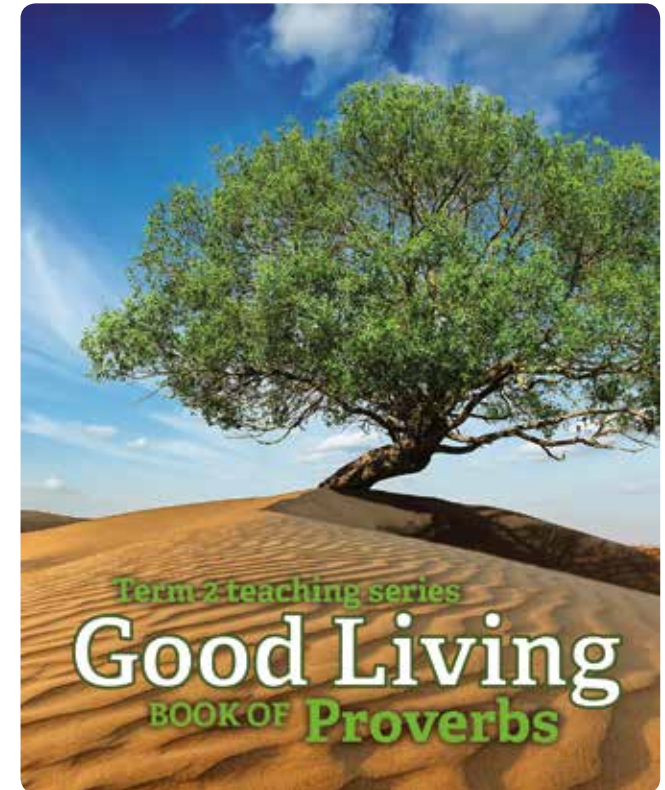

1. There's a link between wisdom, the fear of the Lord, and wealth

What about 'Blessed are the poor'? (Luke 6)

2. The security that wealth provides is weak and wealth itself is fleeting
3. The greedy pursuit of unjust gain brings ruin, but the generous pursuit of justice brings blessing

Conclusion

A copy of today's sermon will be available this afternoon on our website

What we're about

Our main job as a church is to see the word of God, the 'gospel' (or good news about Jesus), grow in people's lives

The kind of church we want to be is one

- Where people are 'fed' spiritually from the Bible
- Where everyone gets looked after
- Where everyone serves
- That's outwardly focused
- Where relationships are important
- That keeps things simple *(continued over)*
